

HONOLULU, HAWAII TERRITORY, WEDNESDAY, SEPTEMBER 1, 1909.

THE MAUI POLO PLAYERS, ONE OF THE TEAMS THAT WILL TAKE PART IN THE INTERISLAND TOURNAMENT, WHICH STARTS TODAY AT LEILEHUA.

FIRST OF INTER-ISLAND POLO GAMES TODAY AT LEILEHUA

The polo game at Leilehua this afternoon between the Oahu and Fifth Cavalry teams will start promptly at 2 o'clock. Neither before nor after that time but at the mystic stroke of six bells.

There will be no special train to Leilehua as the line has to be cleared for the Congressional party special. But the road is always open, sometimes more open than good to run on, and automobiles have a right of way between Honolulu and Leilehua today.

Those who figure on attending the game do not have to worry about getting tickets before leaving Honolulu. There will be a large sized Griffin at the entrance to the grounds and he will have small pieces of pasteboard with the iron mark printed on them.

It must be remembered that the Oahu polo club is going to a very large expense to bring off the local tournament. In deference to the Fifth Cavalry and to the Congressional visitors, the first match in the Interisland tournament was set forward a week. There can be no special train and the prearranged idea to have combination transportation and admittance tickets necessarily fell through. Therefore it is up to all those who have autos and

can get out to the game to be there and do a little something towards helping out in the expense line.

As regards the game, it is bound to be a good one. The Oahu team has a minus disadvantage and the White Knights have a big plus advantage in playing on their home grounds. The field is about the best that could be made and the Cavalry club-swingers have been practising under the same conditions which will hold when they play.

The last game played on the Leilehua field resulted in a meager victory for the Oahu team. Both sides scored four goals but the White Knights made an unlucky foul and thus lost the game. Today we may be quite sure that the Cavalry team will be more careful in the riding off right of way and will be debited with no such setback.

Frank Baldwin arrived on the Lurline from Kahului at the mystic hour of one a. m. this morning and, at the time you read this, has probably arisen from a good sleep. He is not here to spy out the land but to make final arrangements with the Oahu team as to the final games which will be played next week.

The teams that will play for the defeat of the Congressional visitors, of several hundred Cavalrymen and of auto-carried visitors from Honolulu will probably be: Fifth Cavalry—A. N. Oiler, number one; Captain Forsythe, number two; Lieutenant Ouekemeyer, number three; Lieutenant Hanson, number four, Oahu—Dr. Baldwin, number one; Sam Baldwin, number two; Walter Dillingham, number three; John Fleming, number four.

FORMER HONOLULUAN PROMOTED.

At a meeting of the directors of the Union Trust Company of San Francisco, held after the return from Europe of J. W. Hellman, Sr., two important changes were made. Chas. J. Deering, cashier, was promoted to the office of vice president, and Herman Van Loven, assistant cashier, was promoted to the office of cashier. Mr. Deering has been with the Union Trust Company since it was organized, and his service with the institution has been able and faithful. It was in recognition of his value to the company that the added honor was bestowed upon him. The personality of Mr. Deering has won for the company and for himself many friends. He is a banker of long service and thorough qualifications. Mr. Deering was for nine years cashier of Bishop & Co., of Honolulu, resigning his connection with that concern to come to San Francisco to assume the position of cashier of the United States Mint, and this office he held until the Union Trust Company was organized, when he entered its employ as receiving teller. Mr. Deering is a director of the Union Trust Company, is treasurer of the Pioneer Society, and a director of the Wells Fargo Nevada National Bank, the California Wine Association, the Philippine Telephone Corporation, and the Colorado Pacific Development Company.—Coast Banker.
